WE hardly know what to think of this p

Lincoln. We cannot think the act a Confederate plot, because we cannot, in the first in the second place, the private character of the assassin Booth forbids any such idea. We can understand the motive of such a mion as Orsini lowering himself to the level of an assassin through frenzied aspirations of pa- The Houble, Mr. J. Whittell, and Mr. R. S. Waltriotiem | and we can also understand the bor. feelings of a Southerner whose wife and daught- Thanks having been voted to the Chairman the ers may have been the victims of the excesses | Meeting separated. of Federal soldiery, leading him on to seek we cannot understand on Englishume, or a German becoming so imbued with sympathy for Italy as to become instigated to attempt the act for which Orsin was executed. And in the same manner, we cannot comprehend how this demonincal ruthan, Wilkes Bootli, n deeply imbaed with Southern sympathics, as to be induced to commit the deed for which his nation will ever be held infamous. It he stood alone in the foul deed, the plea of lunacy, based on a morbid desire for notoriety, might with some degree of reason be put forward. But the case is far o herwise, friends of the president Mr. Ashmen presented and there is such strong evidence of an asso-himself with another person to have an interview his door a man enveloped in a large cloak, whom who dreased their ship with flags the day Lin-ciation of assassins, as to load to the inevitable on a private matter; but it was too late. Mr. Lin-they eccested and who fied. Mr. Stanton was to color's death was known. The joy of the South conclusion, that a conspiracy existed. The simultaneous attempt to assessmate Mr Seward—the certainty that Harrold was an accomplice, that Surrat was mother, Lewis Paine another, - all lead to the inevitable conalusion that a conspirity had been formed. And then the question arises, what personal end and aim the conspirators could have buil in the perpetration of their diabolical design.

-his arrangements for escape were perfect and be cluded detection by denouncing the deed be had committed. He could bardly have expected to acquire popularity with any party or section for having committed the deed-if he did he was wouldly deceived. it is clear that the world could not hold him North, not South, which he surely would not he vedene, of he expected protection or applause among the Confederates. We fancy that Wilkes Booth and his nocomplices also, were rank, rowdy weeds of an infulel and a Jacobin, waxed famous, and here emongst these diabolical assuming of President Lincoln, we find the name of Paine again. The United States of America bailed the silvent of such men as these; it would appear they have had grough of them. lank rowdyism we flink is at the bottom of it all. The elder Booth was a most vident man, and had to fly from England for shooting at Wallack. If such a man were a follower of Wilkes and Tom Pains, what could he expected of his transationatio progeny, if brought up in the stage and made the chil-

APRIL 29, APTERNOON. Secretary Stanton has issued orders for the immediate curtailing of the expenses of every branch of his department, and for the reduction of the forces in the event of an early termination Soldiers in hospital not requiring further medical treatment are to be paid off and discharged. and prisoners who will take the oath of alleriance will be released upon such terms as the President doems consistent with the public en etv. The Richmond Whig of the 25th instant states that President Davis and the members of his Unbinet, with an excert of 2,000 envalry, defi Greenshere, North Carolina, on the 14th inst , for Columbia, wa Ashborough and Cheraw, From Columbia they would move westward, through Georgia and Alabama, to the Mississippl. : Secretary Soward drives out daily. A surgical

operation upon his jaw was successfully performed Mr. Frederick Seward continues to improve, Booth's relatives have applied for his body. The request was refused, and the body has been scorotly buried.

> News of the Week. (From the Expectator.)

The King of the Relgians is, we regret to percelve, again ill, and on Friday the tone of the hullating had become alarming. The Duc de Brahant has been summoned in all hasto from his tour in the East, and has reached Messina on his way to

The full report of the Indian hudget has at last arrived, and is very much worse even than the telegram had led us to expect. The "surplus calculated on for next your lesimple an invention. and the deficit of this is three times the sum stated, or 344,000/. The receipts of the year are 46,284.106/.. and the excenditure 46,628,249/. Nevertheless Sir Charles Trevelyan takes off the seven export duties calculated to yield only 330,000/, for no other season than that this wan the poliny of the old East India Company, a reason which would seem one only to an Indian civilian. The receipts of 1865 are expected to be 46,488, 7601. and the expenditure 47,186,9301. lenving a difficit of 699,1704, to be reduced one-ball by the amount received from the export duties. Sir !. Charles Trevelyan, however, has arranged to borrow 1,200,0001, and as 500,0001 of that will next year remain unspent, he has the audicity to claim it as surplus, and actually telegraphed it by this country as such. The fact oil the while is that he has willully produced the deficit by sacrificing the income-tax, which would have mot it, in order to prove that Sir Charles Wood was wrong in recalling him from Madray. He has defied every principle of sound finance in order to empty a full treasury, and ruined the prosperity of air empire to soothe his own wounded pride.

The Emperor started on Saturday for Algiers, and arrived on the 3rd inst, at I p. m. He met with an "enthusiastic reception," which considering there is wahody to Algiera but soldiera. afficials, and shopkeepers who live by the custom of soldiers and officials must have been very gratifying. It is said that a circular bus been sent to all foreign Courts explaining the Emper or's objects, that Abd-el-Kader has been summoned to meet His Majesty, and that Napoleon is still resolved to surrender, the interior to a

Constance Keht was committed for trial at Trowbridege on Thursday, the evidence, with two exceptions, being much the same as that given before the magistrates at the time. The two excontions were, however, remarkable. The night dress covered with blood, which disappeared and was so much talked about at the time, was, it appears. found by a local police-sericant and given] to the police-superintendent, Mr. Poloy, who either forget or suppressed it, at all events never produ- immediate possession. containing ten rooms, Green, "lady superior" of St. Mary's Hospital. Water Inid on. Brigh on, who asked the Court "that in questioning her respect abould be had to the confidence ' between spiritual mother and daughter, declared that the murder had been repeatedly mentioned between herself and Misa Kent, that the latter said ahe had done "it" she always called her orime "it "-out of revenge on her stepmother, and with a razor secreted out of her father's dressing-case. If that razor had been found on the anot, and traced to that dressing-case, nothing in the then condition of public feeling could have saved Mr. Kent. The Roy A. D. Wagner, Protestant carate of St. Paul's, Brighton, denied that any pressure had been applied to Miss Kent, but refused to give ant further information, us all he knew was under the seal of confession " The quiet way did Rooms, in which these priests and priesterses assume that | . Possession can be given at once. their silly opinions place them above the law:

Admiral Fifzray, the well-known meteorologist, committed suicide on Sunday marning at his own house. Unner Norwood. He had overwork ed himself of late found that he was lesing his momory, became sleenless, and resorted to opium to obtain case, which augravated his symptoms. His doctor had warned him that he ran great risk of paralysis, but from a false tenderness did not at once compel him to give up labour. The Rev. F. Tremlett said the persons condition of the Admiral had been a subject of converantion between himself. Captain Many, and the deceased, and the witness had expressed an fund at present in the occupation of Messrs opinion that he was on his way to lunney. The FLMANHOUST and SANDERS jury of course returned a verdict of temporary insanity. We wonder to what extent death from ever brain work increases. The returns do not to 503 Hongkong, 7th March, 1865,

show it, but people who live in great uities hear of it with increasing Trequency. It is worth re-cording that in the brinton of a very great physi-cian the true repredy for the sleeple-saces which is the most distressing symptom of overwork 1) - &u. chaving provided themselves with a is not onium; but illusis beer, drunk at bed heaving down Hulk are now prepared to under-time justend of at dinner. This Port time, instead of at dinner.

We have reason to believe that the rumohi of a political arrangement between the Pope and the King of Italy are either unfounded or promature. They were very strenuously deried in the Italian Parliament on the last day of the feet, total measurement 30.720 feet;

Harwich, brought up the grievances of Indian previous accumulations. The hope it is said to officers of the Line in the shape of a motion make terms with General Sherman, or some other for an address to the Drown praying a remedy. The grievances are their liability to supervision mi test, with their effects including this gold plun. by the Staff, which is practically a civil body, der, toy un to Mexico or Europe. John ton she, the suppression of their ratiring funds without compensation, and rules delaying the time at "After the Cabinet meeting fast alght General | which they abtain colonels commands. All Grant started for North Carolina to direct one. these grievances were admitted by a Royal Commission specially appointed to inquire into them. but have not been redressed. Sir Charles Wood tried to show that they were mainly due to his wise reductions, but failed, and the motion was carried in a small House by 49 to 38. The more serious effect of Sir Charles Wood's referres on the military strength of Todia is discussed in

such a head of the Stat .. has taken for the time capied by Texas cavelry, on the night of the 16th, almost all flavour out of the American neve instant, escaping the observation of our naval almost as the death of a here might out of a story, Novertheless the occupation of Mobile, which took place on the 9th April, the same day on which Dog River bar, and but a small land force was perficial area of about 18000 square feet. engaged. But there was no heart in the defence. (HT BRITISH AND IRISH MAGNETIC TELECGAPH.) The Confederates made no fight, and the Federal To pa have now full command of the great Alebama river, which will give them easy access to ! tf Hangkong, 24th Pohtuary, 1864. the hears of the State beyond Montgomery. Beline (PER THE BELGIAN FIR GREENGARTLE, MAY 10.) and Montgomery are blendy in the hands of the North, and though Mr. Jefferson Dovis la raid to be in Augusta, there is no Confederate ormy but General Johnston's of any magnifude out of the Mississippi, It is known that General Johnston was at anotime in treaty with General Sharman for its surrender, and the last news brought rumours, very probable but not of any certain nuthority, that the surrender had taken place. General Johnston will scarcely buzard his army's

> Wilkes Booth, the marderer of Mr. Lincoln. left behind him, in the care of his brother, amongst various hands and samples, a very curious letter in vindication of the act he was meditating. It is a curiously functionl document - fanatical to the last degree on behalf of slavers and the South. He refers to his pride in miding in the execution and eapture of John Brown, and says. "I thought the a new that the Abolitionists were the only traitors in the hand, and that the entire party deserved the same fale as oper old Brown. because they wish to abolish slavery, but on account of the means they have ever endeavoured to use to effect that abolition." Looking at African slavery from the stand-point held by the mobile framers of our Constitution, I for one have JAN be had on board the receiving whip ever considered it one of the greatest blessings. | "OELESTIAL," (a first, class risk) on both for themselves [the blacks] and us that God | m derate terms ever bestowed upon a foroured nation." . Though fanatical, the letter is entirely sana, and the letter of a man with culture. It is curiously penetrated with the deply rected idea of the South for the hat ten years at least-that all the aggressions of Abolitionists to extirputo its diabolio. The sings himself, " A. Confederate doing duty upon his own: responsability," which is a very good definition

of a slave power in general, and a murdering alave

except to yourself, is the accret of Cuin.

Mr. Cardwell on Thursday night produced ble Bill for granting pensions to retired Colonial Governors The pensions communed at sixty must have been earned by at least eighteen yeard. year, if 2.0000 and upwards 7501.; it is 0000 and upwards 500L; and if less than that amount 250L The principle is not quite a fair one; the worst appeintments in point of climate being also the worst paid, and Mr. Cardwell must beware of in crassing the already sharp pressure to promote novernors by seniority. He does not want always to send governors of sixty to Melbourne or Ottawa It would have been wiser to adopt the principle the Indian Civil Service, and give a pension of 500% a year without distinction of appointment.
